NETFABRIC HOLDINGS INC. AND SUBSIDIARIES

NOTES TO INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

NOTE 1. NATURE OF BUSINESS AND MANAGEMENT'S PLANS

NetFabric Holdings, Inc. ("Holdings" or the "Company") was incorporated under the laws of the State of Delaware on August 31, 1989. The Company has two wholly-owned subsidiaries, NetFabric Corporation ("NetFabric") which is inactive and UCA Services, Inc ("UCA"), which was sold in 2009.

On May 20, 2005 Holdings acquired UCA Services, Inc. UCA, a New Jersey company, is an information technology ("IT") services company that serves the information and communications needs of a wide range of Fortune 500 and small to mid-size business clients in the financial markets industry as well as the pharmaceutical, health care and hospitality sectors. UCA delivers a broad range of IT services in the practice areas of infrastructure builds and maintenance, managed services and professional services.

Effective August 24, 2009, pursuant to a Memorandum of Understanding, the Company sold UCA to Fortify Infrastructure Services, Inc. ("Fortify") for \$5,850,000 consisting of \$5,000,000 in cash, resulting from the cancellation of a \$5,000,000 note previously issued to Fortify by UCA on March 12, 2009, and a receivable of \$850,000, which was paid in May 2010. The Memorandum of Understanding referred to above was signed on April 27, 2010 and amended the terms of previous agreements dated March 12, 2009 and August 24, 2009 between UCA and Fortify.

The operations of UCA are reflected in the financial statements as discontinued operations. The 2008 financial statements have been retrospectively adjusted to reflect the operations of UCA as discontinued operations. Previously they were reflected in the 2008 financial statements as part of continuing operations (Note 4).

Management's plans

As discussed above, the Company sold UCA to Fortify for \$5,850,000. Out of proceeds from the transaction, the Company repaid all of its debt. After the sale, the Company does not have any operations. However, the Company will be debt free. The Company intends to explore strategic alternatives including merger with another entity. Currently, the Company does not have any agreement or understanding with any entity and there is no assurance that such a transaction will ever be consummated. The Company believes that it will be able to meet its cash requirements throughout fiscal 2010 and continue its business development efforts.

NOTE 2. BASIS OF PRESENTATION

The accompanying unaudited condensed consolidated interim financial statements have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"), except for the condensed consolidated balance sheet as of December 31, 2008, which was derived from audited financial statements. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles in the United States of America have been omitted pursuant to such rules and regulations. However the Company believes that the disclosures are adequate to make the information presented not misleading. The financial statements reflect all adjustments (consisting only of normal recurring adjustments) that are, in the opinion of management, necessary for a fair presentation of the Company's financial position and results of operations.

The operating results for the three months ended March 31, 2009 and, 2008 are not necessarily indicative of the results to be expected for any other interim period or any future year. The accompanying unaudited condensed consolidated interim financial statements should be read in conjunction with the Company's December 31, 2008 consolidated financial statements and related notes contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2008.

Use of Estimates

The consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the statements of financial condition and revenues and expenses for the period then ended. Actual results may differ significantly from those estimates.

Fair value of financial instruments

The carrying amounts reported in the condensed consolidated balance sheet for cash, accounts payable and accrued expenses, and short term borrowings approximate their fair market value based on the short-term maturity of these instruments.

Earnings (Loss) Per Share

The Company calculates earnings (loss) basic earnings (loss) per share by dividing the net income (loss) by the weighted average number of shares of common stock outstanding during the period. Diluted earnings (loss) per share is computed by dividing the net income (loss) by the weighted average number of shares of common stock outstanding during the period plus the effects of any dilutive securities. Diluted earnings (loss) per share considers the impact of potentially dilutive securities except in periods in which there is a loss because the inclusion of the potential common shares would have an anti-dilutive effect. The Company's potentially dilutive securities include common shares which may be issued upon exercise of its stock options, exercise of warrants or conversion of convertible debt.

Diluted loss per share for the three months ended March 31, 2009 and 2008 exclude potentially issuable common shares of approximately 9,106,867 and 14,468,856, respectively, primarily related to the Company's outstanding stock options, warrants and convertible debt, because the assumed issuance of such potential common shares is antidilutive.

NOTE 3. RECENT ACCOUNTING PRONOUNCEMENTS

In June 2009, the FASB issued Statement of Financial Accounting Standards ("SFAS") No. 168, The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (the "Codification"). This standard replaces SFAS No. 162, The Hierarchy of Generally Accepted Accounting Principles, and establishes only two levels of U.S. generally accepted accounting principles ("GAAP"), authoritative and nonauthoritative. The FASB ASC has become the source of authoritative, nongovernmental GAAP, except for rules and interpretive releases of the SEC, which are sources of authoritative GAAP for SEC registrants. All other nongrandfathered, non-SEC accounting literature not included in the Codification will become nonauthoritative. This standard is effective for financial statements for interim or annual reporting periods ending after September 15, 2009. The adoption of the Codification changed the Company's references to GAAP accounting standards but did not impact the Company's results of operations, financial position or liquidity.

In April 2009, the Company adopted a new accounting standard included in ASC 820, (formerly FSP 107-1 and Accounting Principles Board ("APB") 28-1, Interim Disclosures about Fair Value of Financial Instruments). The new standard requires disclosures of the fair value of financial instruments for interim reporting periods of publicly traded companies in addition to the annual disclosure required at year-end.

The provisions of the new standard were effective for the interim periods ending after June 15, 2009. The Company's adoption of this new accounting standard did not have a material effect on the Company's consolidated financial statements.

In May 2009, the FASB issued new guidance for subsequent events. The new guidance, which is part of ASC 855, Subsequent Events (formerly SFAS No. 165, Subsequent Events) is intended to establish general standards of accounting for and disclosure of events that occur after the balance sheet date but before financial statements are issued or are available to be issued. Specifically, this guidance sets forth the period after the balance sheet date during which management of a reporting entity should evaluate events or transactions that may occur for potential recognition or disclosure in the financial statements, the circumstances under which an entity should recognize events or transactions occurring after the balance sheet date in its financial statements, and the disclosures that an entity should make about events or transactions that occurred after the balance sheet date. The new guidance is effective for fiscal years and interim periods ended after June 15, 2009 and will be applied prospectively. The Company's adoption of the new guidance did not have a material effect on the Company's consolidated financial statements. The Company evaluated subsequent events through the date the accompanying financial statements were issued.

Other accounting standards that have been issued or proposed by the FASB or other standards-setting bodies that do not require adoption until a future date are not expected to have a material impact on the consolidated financial statements upon adoption.

NOTE 4. DISCONTINUED OPERATIONS

On March 12, 2009, the Company, along with its wholly owned subsidiary, UCA entered into a Convertible Note Purchase Agreement dated March 12, 2009 with Fortify Infrastructure Services, Inc. ("Fortify"). Pursuant to the Convertible Note Purchase Agreement, Fortify purchased a Secured Convertible Promissory Note (the "Note") from UCA in the principal amount of \$5 million with the Company being a guarantor for UCA's borrowings.

The Note had a six-month term, and with interest at 8% per annum, compounded annually. The Note was secured by (i) all of the assets of UCA and the Company and (ii) all of the equity securities of UCA then owned or thereafter acquired by the Company. At the exclusive option of Fortify, Fortify may convert the entire principal amount of and accrued and unpaid interest on the Note into shares of Series A Preferred Stock of UCA. The conversion price shall be at a price equal to the price per share reflecting a valuation of UCA equal to \$5 million, on an as-converted basis.

Fortify, UCA and the Company also entered into an Option and Purchase Agreement ("Option Agreement"). Pursuant to the Option Agreement, Fortify has an option to acquire all of the outstanding shares of common stock of UCA. Upon effectiveness of the Company's Definitive Schedule 14 C Information Statement to be filed with the Securities and Exchange Commission (the "SEC") in connection with certain actions taken by the written consent of holders of a majority of the Company's outstanding common stock approving the terms of the Option Agreement, Fortify will exercise the option. Upon exercise of the Option, the Company will be released from the guaranty obligations of the Note. Fortify will pay the Company \$500,000 ("Fixed Payment") one year from the date the option is exercised. In addition, Fortify will pay additional amounts to the Company (up to a maximum of \$500,000) and certain employees of UCA based on UCA's performance during the periods specified in the Option Agreement ("Performance Payment").

The holders of a majority of the Company's outstanding common stock had previously approved the terms of the Option Agreement by a written consent as detailed in the Company's Definitive Schedule 14 C Information Statement filed with SEC on July 9, 2009.

The Company used approximately \$3 million from the proceeds of the Note to repay all amounts owed to Laurus Master Fund. The balance of the proceeds was be used for repayment of debt, other payables and for working capital purposes.

On August 24, 2009, the Company along with its wholly-owned subsidiary, UCA and Fortify entered into Amendment No. 1 (“Amendment”) to the Option and Purchase Agreement (“Option Agreement”) in connection with the closing of Fortify’s purchase of all of the outstanding capital stock of UCA upon exercise of its option granted under the Option Agreement. Pursuant to the Amendment, among other things, the Secured Convertible Promissory Note in the principal amount of \$5 million (including the related accrued interest) issued by UCA to Fortify was cancelled, releases of certain obligations of the parties were granted as specified in the Amendment, and the commencement date and measurement period for the earn-out and bonuses provided for in the Option Agreement were modified. Effective August 24, 2009, the Company transferred its ownership interest in UCA to Fortify.

On April 27, 2010, the Company entered into a Memorandum of Understanding (“MOU”) with Fortify and amended the Fixed Payment and Performance Payment previously agreed by them. Pursuant to Fortify agreeing to pay the amounts on accelerated basis unconditionally, the Company agreed to accept \$850,000 in aggregate as the full settlement of Fixed Payment and Performance payments. This amount was received by the Company in May 2010.

In accordance with FASB ASC 205-20-45-1 “Presentation of Financial Statements-Discontinued Operations-Other Presentation Matters” the Company has presented the results of UCA operations as discontinued operations in the accompanying consolidated balance sheets, statement of operations and statement of cash flows.

The following table sets forth the carrying amounts of the major classes of assets and liabilities aggregated in discontinued operations in the consolidated balance sheet were as follows:

ITEM 2.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis and results of operations should be read in conjunction with the unaudited condensed consolidated financial statements and accompanying notes and the other financial information appearing elsewhere in this report and reports included herein by reference. The following discussion contains forward-looking statements that reflect our plans, estimates and beliefs. Our actual results could differ materially from those discussed in the forward-looking statements.

CORPORATE HISTORY

We were formerly known as Houston Operating Company and were incorporated in Delaware on August 31, 1989. On December 9, 2004, we entered into an Acquisition Agreement with all of the stockholders of NetFabric Corp., a Delaware corporation. NetFabric Corp. was incorporated in Delaware on December 17, 2002 and began operations in July 2003. At the closing, which occurred simultaneously with the execution of the Acquisition Agreement, we acquired all of the issued and outstanding capital stock of NetFabric Corp. from the stockholders in exchange for an aggregate of 32,137,032 newly-issued shares of our common stock. The acquisition was accounted for as a reverse merger whereby NetFabric Corp. was treated as the acquirer. On April 19, 2005, our name was changed from Houston Operating Company to NetFabric Holdings, Inc. and our stock symbol was changed from "HOOC" to "NFBH."

Prior to acquiring NetFabric Corp., Houston Operating Company did not have any operations, and we were a shell company whose primary business objective was to merge and become public. NetFabric Corp. was a provider of hardware and services to small to mid-sized businesses ("SMBs") that utilized the Internet for telephone communications or Voice over Internet Protocol ("VoIP"). It developed and marketed appliances or Customer Premises Equipment ("CPE") that simplified the integration of standard telephone systems with an IP infrastructure. In addition, NetFabric Corp resold transport services of a third party VoIP transport provider.

With minimal revenues from VoIP operations, we concluded that we could not implement our original business plan for VoIP operations within our resources or with the additional capital we could raise in the near term. On May 5, 2006, our Board of Directors decided that the Company should exit the hardware-based VoIP communications product line (including resale of transport services) that is targeted to SMBs.

UCA SERVICES, INC. ACQUISITION

On May 20, 2005, we entered into and closed on a share exchange agreement, whereby we purchased all of the issued and outstanding shares of UCA Services, Inc., a New Jersey company ("UCA") from its shareholders in exchange for the issuance of 24,096,154 shares of our common stock. UCA is an IT services and solutions company that serves the information needs of a wide range of Fortune 500 clients in the financial markets industry and the pharmaceutical, health care and hospitality sectors. UCA delivers a broad range of IT services in managed services, professional services, infrastructure building and maintenance, application development and maintenance areas. The acquisition was accounted for using the purchase method of accounting with UCA's results of operations included in our consolidated financial statements from the date of acquisition.

DISCONTINUED OPERATIONS

On August 24, 2009, the Company along with its wholly-owned subsidiary, UCA and Fortify entered into Amendment No. 1 (“Amendment”) to the Option and Purchase Agreement (“Option Agreement”) in connection with the closing of Fortify’s purchase of all of the outstanding capital stock of UCA upon exercise of its option granted under the Option Agreement. Pursuant to the Amendment, among other things, the Secured Convertible Promissory Note in the principal amount of \$5 million (including the related accrued interest) issued by UCA to Fortify was cancelled, releases of certain obligations of the parties were granted as specified in the Amendment, and the commencement date and measurement period for the earn-out and bonuses provided for in the Option Agreement were modified. Effective August 24, 2009, the Company transferred its ownership interest in UCA to Fortify.

In accordance with FASB ASC 205-20-45-1 “Presentation of Financial Statements-Discontinued Operations-Other Presentation Matters” the Company has presented the results of UCA operations as discontinued operations in the accompanying consolidated balance sheet, statement of operations and statement of cash flows.

UCA derived revenues primarily from managed IT services, professional services, application development services and business process management services. Service arrangements with customers were generally on a time and material basis or fixed-price, fixed-timeframe revenue basis. UCA’s principal operating expenses were direct employee costs, consultant expenses and selling, general and administrative expenses. The principal components of selling, general and administrative expenses were salaries of sales and support personnel, and office rent. Direct employee costs and consultant expenses were comprised primarily of the costs of consultant labor, including employees, subcontractors and independent contractors, and related employee benefits. Approximately 50% of our consultants were employees and the remainder are subcontractors and independent contractors.

We compensated most of our consultants only for the hours that we bill to our clients for projects undertaken, which allowed us to better match our labor costs with our revenue generation. With respect to our consultant employees, we were responsible for employment-related taxes, medical and health care costs and workers' compensation. Labor costs were sensitive to shifts in the supply and demand of IT professionals, as well as increases in the costs of benefits and taxes.

After the divestiture of UCA, the Company does not have any operations. In the past, our operations was that of a holding company that housed the finance and administrative functions and was responsible for financing transactions and regulatory compliance activities.

Comparison of Three Months Ended March 31, 2009 and 2008:

Selling, general and administrative expenses

Our selling, general and administrative expenses increased for the three months ended March 31, 2009 by \$309,817, or 235.8%, to \$441,184. The increase was due to bonus/ one-time payment to an officer and additional professions fees incurred in connection with UCA transaction.

Amortization of debt discount

Amortization of debt discount for the three months March 31, 2009 decreased by \$89,504 or 49.3%, from \$181,366 to \$91,862. The reduction was due to the maturity of Laurus debt and by the maturity all discount was amortized. The debt was repaid at the maturity in March 2009 from the Fortify transaction, and there were no additional borrowings incurred after the repayment.

Debt issuance costs

We paid approximately \$48,000 fees in connection with our short term borrowing during the three months ended March 31, 2009, which was charged to operation. In 2008, we incurred approximately \$132,000 in fees during the three months ended March 31, 2008. The decrease was due to the repayment of short term borrowings from the Fortify transaction.

Interest expense

For the three months ended March 31, 2009, interest expense decreased by \$66,792, or 64.8%, to \$36,271 from \$103,063. The decrease due to the repayment of Laurus and other debt from the proceeds of the Fortify transaction in March 2009.

Discontinued Operations

On August 24, 2009, we transferred our ownership interest in UCA to Fortify. In accordance with FASB ASC 205-20-45-1 "Presentation of Financial Statements-Discontinued Operations-Other Presentation Matters" we have presented the results of UCA operations as discontinued operations in the accompanying consolidated balance sheets, statement of operations and statement of cash flows.

During the three months ended March 31, 2009, our income from discontinued operations was \$198,246 compared to \$223,535 in the comparable period of 2008. Decreased revenues in UCA due to non-renewal or termination of certain projects undertaken in 2008 resulted in decreased profits in 2009 compared to 2008.

Net loss

As a result of the foregoing, for the three months ended March 31, 2009, net loss increased by \$85,090, or 25.5%, to a loss of \$418,701, compared to a net loss of \$333,611 during the three months ended March 31, 2008.

LIQUIDITY AND CAPITAL RESOURCES

On March 31, 2009, our working capital deficiency was \$6,510,323, compared to a working capital deficiency of \$6,212,328 on December 31, 2008. The increase was due to the net loss incurred during the three months ended March 31, 2009. During the three months ended March 31, 2009, our operating activities from continuing operations used approximately \$956,000 of cash, compared to approximately \$518,000 used during the three months ended March 31, 2008.

During the three months ended March 31, 2009, our continuing operating losses, after adjusting for non-cash items, used approximately \$411,000 of cash, and working capital items used approximately \$545,000 of cash. The principal component of these working capital changes was a decrease in our accounts payable and accrued compensation. During the three months ended March 31, 2008, our continuing operating losses, after adjusting for non-cash items, utilized approximately \$115,000 of cash, and working capital items used approximately \$403,000 of cash.

On March 12, 2009, we, along with our wholly owned subsidiary, UCA entered into a Convertible Note Purchase Agreement dated March 12, 2009 with Fortify Infrastructure Services, Inc. ("Fortify"). Pursuant to the Convertible Note Purchase Agreement, Fortify purchased a Secured Convertible Promissory Note (the "Note") from UCA in the principal amount of \$5 million with us Company being a guarantor for UCA's borrowings.

The Note had a six-month term, and with interest at 8% per annum, compounded annually. The Note was secured by (i) all of the assets of UCA and our Company and (ii) all of the equity securities of UCA then owned or thereafter acquired by us. At the exclusive option of Fortify, Fortify may convert the entire principal amount of and accrued and unpaid interest on the Note into shares of Series A Preferred Stock of UCA. The conversion price shall be at a price equal to the price per share reflecting a valuation of UCA equal to \$5 million, on an as-converted basis.

Fortify, UCA and the Company also entered into an Option and Purchase Agreement (“Option Agreement”). Pursuant to the Option Agreement, Fortify has an option to acquire all of the outstanding shares of common stock of UCA. Upon effectiveness of the our Definitive Schedule 14 C Information Statement to be filed with the Securities and Exchange Commission (the “SEC”) in connection with certain actions taken by the written consent of holders of a majority of our outstanding common stock approving the terms of the Option Agreement, Fortify will exercise the option. Upon exercise of the Option, will be released from the guaranty obligations of the Note. Fortify will pay us \$500,000 (“Fixed Payment”) one year from the date the option is exercised. In addition, Fortify will pay additional amounts to us (up to a maximum of \$500,000) and certain employees of UCA based on UCA’s performance during the periods specified in the Option Agreement (“Performance Payment”).

The holders of a majority of our outstanding common stock had previously approved the terms of the Option Agreement by a written consent as detailed in our Definitive Schedule 14 C Information Statement filed with the SEC on July 9, 2009.

We used approximately \$3 million from the proceeds of the Note to repay all amounts owed to Laurus Master Fund. The balance of the proceeds was used for repayment of debt, other payables and for working capital purposes.

On August 24, 2009, we along with its wholly-owned subsidiary, UCA and Fortify entered into Amendment No. 1 (“Amendment”) to the Option and Purchase Agreement (“Option Agreement”) in connection with the closing of Fortify’s purchase of all of the outstanding capital stock of UCA upon exercise of its option granted under the Option Agreement. Pursuant to the Amendment, among other things, the Secured Convertible Promissory Note in the principal amount of \$5 million (including the related accrued interest) issued by UCA to Fortify was cancelled, releases of certain obligations of the parties were granted as specified in the Amendment, and the commencement date and measurement period for the earn-out and bonuses provided for in the Option Agreement were modified. Effective August 24, 2009, we transferred our ownership interest in UCA to Fortify.

On April 27, 2010, we entered into a Memorandum of Understanding (“MOU”) with Fortify and amended the Fixed Payment and Performance Payment previously agreed by them. Pursuant to Fortify agreeing to pay the amounts on accelerated basis unconditionally, we agreed to accept \$850,000 in aggregate as the full settlement of Fixed Payment and Performance payments. This amount was received us in May 2010

After the divesture of UCA, we do not have any operations. However, we are debt free. We will explore strategic alternatives including merger with another entity. Currently, we do not have any agreement or understanding with any entity and there is no assurance that such a transaction will ever be consummated.
